

DONALD ROCHA

Candidate for San Jose City Council - District 9

Momentum Continues with Additional Endorsements and Fundraising Lead

More great news continues to roll in for Donald Rocha and his campaign for San Jose City Council District 9!

State Senator Joe Simitian, Santa Clara County Sheriff Laurie Smith, San Jose City Councilmember Ash Kalra, former San Jose City Councilmember Linda LeZotte, and former State Assemblymember Jim Cunneen have all endorsed Don's campaign. Donald also recently received the endorsements of the 3rd and 4th place District 9 primary candidates for City Council, Jim Cogan and Robert Cortese. Their support reinforces that Don has run a positive campaign and has the interest of the community in mind.

In addition to these excellent endorsements, Don has again raised the most funds of any candidate for the general election by roughly four times the amount of money as his opponent, raising approximately \$20,000 for the first fundraising period.

In the primary, Donald secured over 43% of the vote in a field of six candidates – an outstanding achievement and one which he will work hard to reproduce in November. With a lead of almost 20% of the vote and just 7% away from winning the race outright in the primary, it is clear his campaign and message is well received by the residents of District 9. The campaign team is in place and working harder than ever to ensure his vision of fiscal responsibility while maintaining quality neighborhood services.
